The Service Advisory Committee (SAC) represents the interests of subscribers outside the Portland-Vancouver Metro area. Your local representative is your liaison with the RMLS Board of Directors. Your input is conveyed through this Committee's chairman who is a full member of the RMLS Board. Conversely, the Committee chairman routinely conveys the RMLS Board decisions and discussions to your representative. If you have any concerns or suggestions for the RMLS Board of Directors, please feel free to contact your area's Service Advisory Committee Representative.
