radon  
(222)

# **RADON IS THE SECOND LEADING CAUSE OF LUNG CANCER. EVERY HOME SHOULD BE TESTED.**

Join us at the **Annual Northwest Radon Forum** for a **FREE**, educational event to learn about radon, areas of concern, health effects, testing and community resources.

**\$7** Radon kits will be available for purchase, while supplies last.

Date: January 24, 2018

Location: The Camas Public Library (Rooms A&B)  
625 NE 4th Ave, Camas, WA 98607

SCHEDULE:

5:00-7:45pm Resource Tables Open  
6:00-7:15pm Presentation and Q&A with Radon Expert Panel including Geology, Healthcare, Testing and Mitigation, and the WA State Radon Program

Oregon Real Estate Professionals: 2 CE credit hours will be provided by Environmental Works, under the topic of Environmental Protection Issues in Real Estate. Simply sign in at the registration table when you arrive, no pre-registration required.
