

RMLS™ Committees: 2024

The Chairman of the RMLS Board selects the committee chairs, and the board confirms their appointment at the first meeting of the year. Our bylaws wisely require that all committee chairmen be on the RMLS Board of Directors, which results in direct input back and forth between the Board of Directors and the committees. The committee chair selects the committee members, who serve for one year.

Technology Committee

The Technology Committee reviews software and services of potential use to RMLS subscribers and may recommend system wide products to the board for approval. The Technology Committee also acts as a resource for evaluating improvements to the RMLSweb system.

Chair:

Dale Chumbley Windermere Northwest Living 360.260.3253 dale@dalechumbley.com

Forms Committee

The Forms Committee reviews all suggestions about changes to RMLS Listing Input Sheets and listing contracts, working to make the listing data we collect both rich and relevant. A forms change requires changes to many parts of the system, including all reports, all searches, and Listing Load.

Chair:

Maureen Bonfiglio Cascade Property Group 503.805.2727 maureen@bonfigliorealestate.com

Rules and Regulations Committee

The Rules and Regulations Committee has two main functions. It reviews all formal complaints which allege violations of the RMLS Rules and Regulations and has the power to impose sanctions. The Rules Committee also discusses potential changes to the Rules and Regulations and makes recommendations to the Board of Directors.

Chair:

Pat Kaplan Kaplan Real Estate Group 503.706.4944 patgkaplan@gmail.com

Hearings Committee

The Hearings Committee exists in case the recipient of a sanction by the Rules and Regulations Committee requests a hearing. Hearings are conducted in substantial accordance with the procedures applicable to REALTOR® Professional Standards hearings.

The Service Advisory Committee (SAC) represents the interests of subscribers outside the Portland-Vancouver Metro area. Your local representative is your liaison with the RMLS Board of Directors. Your input is conveyed through this Committee's chairman who is a full member of the RMLS Board. Conversely, the Committee chairman routinely conveys the RMLS Board decisions and discussions to your representative. If you have any concerns or suggestions for the RMLS Board of Directors, please feel free to contact your area's Service Advisory Committee Representative.
